## Citizenship By Investment

Grenada is a beautiful island known as the "Island of Spice". It gained its independence in 1974 and is part of the British Commonwealth. Grenada island is well-known for breathtaking beaches, lush national parks, rainforests and rare natural beauties. The Grenada economic Citizenship by Investment program was launched in 2013 and has won the award of Best International Citizenship program.

Grenadian passport holders can travel visa-free or visa upon arrival to more than 148 destinations such as the UK, China, Hong Kong and Europe's Schengen Area. Applicants can qualify for citizenship by either donating a non-refundable contribution to the Government approved Fund or through an approved real estate investment.

There are multiple investment options available for obtaining citizenship in Grenada, with each investment program offering unique benefits. Here are some of the available investment options:

### **1: National Transformation Fund**

The candidate provides a non-refundable monetary contribution to The National Transformation Fund (NTF). Single applicants are required to make a minimum non-refundable donation of USD 235,000 to the NTF.

### **2. Real Estate Investment**

Acquire a government-approved real estate project with a minimum purchase value of USD 270,000. This option entails an additional non-refundable contribution of at least USD 50,000. The property must be retained for five years if it is later resold as a qualifying investment to another citizenship-by-investment investor.
