Overview

United States of America is one of the most progressive countries in terms of Economy and Politics. A multi-cultural land where people from all races, religions & ethnicities coexist as one nation. USA offers various routes for foreign investors, students and professionals to enter the country and create great opportunities. E2 Investor Visa is a quick and most credible route to live and work in USA along with your Family. Everyone around the globe is familiar with the quality life USA offers. From healthcare to education, business expansion opportunities and security of your family, USA is one country that has a lot to offer. It's a thriving economy and invites everyone around the globe to play their part and win at life. USA E2 Investor Visa is a golden opportunity to sustain a business in the USA and experience growth and prosperity that you dreamed of. E2 Visa is non-immigrant status with extension for a lifetime if you successfully sustain your business. It permits spouse to work anywhere in the USA which can lead you to Green Card in future.

How USA E2 Investor Visa Works?

Applicant needs an immigration advisor who understands the immigration laws of USA to set up a company. The next step will be transfer of investment funds to the bank account of the E2 company. The applicant has to ensure that the 51% or more ownership of the company is in his name to apply for E2 Visa. The visa approval depends on the spending of your investment funds and possibility of your venture to create jobs for local people. You can either opt for change of status option or consular processing depending if you are applying from your country or you are already in the USA. All of this will be done by the immigration consultant and attorney you choose so make sure you make a right choice.
